Where Technology  
& Creativity Meet.

## WHO WE ARE:

Axess Products Corporation is the vision culminating over 70 years combined experience in the consumer electronics and computer peripherals industry. Our mission is to provide consumers with products which are far more advanced than what is on the market, with the latest and most unique designs, innovations, quality and value to meet and exceed the consumer's expectations.

Our research and development team is constantly in search of innovative and useful products to add to our expanding regular and premium lines. We are constantly at the forefront of the latest technological innovations. Our sales, support and logistics staff are committed to providing our customers and consumers with the best service and support.

We have gateways through our distribution channels to North, Central and South America as well as Canada.

# OUR PRODUCTS

## LED TV'S & TV/DVD COMBO'S

Catch your favorite programs with a built-in digital and analog tuner. Our smaller TV models have 12V car cord technology for viewing on the go. Our televisions offer great performance and function in a well-designed package, sleek and loaded with features which include high resolution for a sharp viewing experience.

We also have models that feature a built-in DVD player, USB slot, and SD card reader.

# OUR PRODUCTS

## PORTABLE SMALL SCREEN TV'S

Enjoy your favorite programs while on the go or at home, with our portable LCD TV, with an ATSC/NTSC digital tuner, and built-in USB/SD card reader. You can easily swap the removable antenna for an A/V input cable, and with the stand, view the TV virtually anywhere. Comes with a remote control, so you can sit back and enjoy the show!

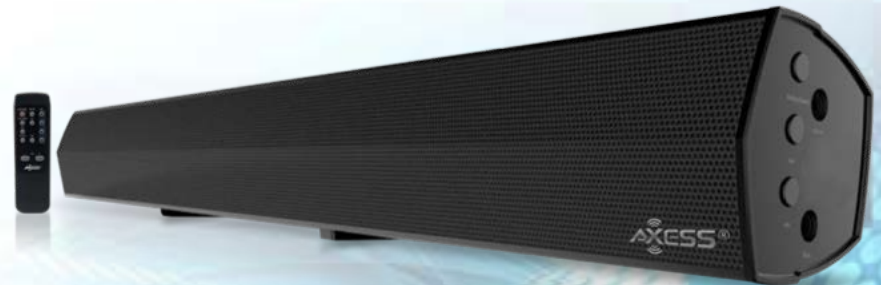

# OUR PRODUCTS

## BLUETOOTH SOUND BARS

Whether you are relaxing by yourself, dancing to the latest tunes with your friends, or setting the mood of a dinner date, our Sound Bars are a perfect companion for the various listening environments.

Every corner of the room is enriched by the full range of sound coming from the speakers and for some models, booming bass from the built in subwoofer. Some models also support USB 2.0, SD card, 3.5mm aux jack and Bluetooth inputs, for your custom playlists. Some of the models also have a built in PLL Radio.

# OUR PRODUCTS

## BLUETOOTH SPEAKERS

Enjoy your music wirelessly, indoors or outdoors, with our portable Bluetooth Speakers. You will be amazed with the clear sound, heavy bass, and dynamic sound effects, and you can stream music from any Bluetooth-enabled device, such as your mobile phone, laptop computer, or tablet.

All of our Bluetooth Speaker devices are rechargeable and also include USB ports and SD card support. Easy to use, and easy portability.

# OUR PRODUCTS

## PORTABLE AUDIO

Enjoy the ultimate in full-function portable audio. The telescopic FM antennas provide clearer reception, and the high-output stereo speakers fill your home with dynamic audio. Plus, the attractive exteriors add a stylish touch. And the easy-to-read LCD panel lets you locate the CD controls quickly. Some of our portable audio products even come with a cassette recorder, and USB and SD card ports, so you can enjoy sound from other media.

# OUR PRODUCTS

## PORTABLE POWER

Power up your mobile device while on the go with our Axess Mobile Power portable long-lasting, high-capacity, power banks. They come in various models, shapes, colors, and sizes, and are easy to use.

Universal for all Portable Devices that have a USB port, these devices have a long life, with rechargeable Lithium ion battery cells.

# OUR PRODUCTS

## MICROPHONES

Pick up one of our microphones, and you've got one for life. What's true about these microphones is that they sound great on a wide variety of sources. Pick one up, and you'll find out why our microphones are better than any other microphone on the planet!

# OUR PRODUCTS
